

SOLVING THE HEALTHCARE CRISIS:

MEDICARE FOR ALL / SINGLE PAYER

PRESENTED BY:

Are you facing:

- Spiraling healthcare expenses, enormous deductibles, ever-increasing premiums?
- No available primary care doctor appointments?
- Insurance denials?
- Poor communication from health providers, between health providers, from insurers?

Learn from experts about what is causing our healthcare crisis and what we can do about it. Learn how, in the Commonwealth of Massachusetts, we can join every other developed country by having a healthcare system based on **NEED** not **PROFIT**.

Donald Berwick MD, MP, FRCP

Former Administrator, Centers for Medicare and Medicaid Services under President Obama, President Emeritus & Senior Fellow, Institute for Healthcare Improvement, Pediatrician.

Katie Murphy

President of Massachusetts Nurses Association representing over 26,000 nurses and healthcare professionals across the Commonwealth. Critical Care Nurse at Brigham and Women's Hospital for over thirty years.

Heather Clark

Founding member of South Shore Medicare for All. Led an initiative to pass a local resolution in support of Medicare for All in Massachusetts in her town of Scituate, MA.
